

Charity Campaign (2) Dolab ELKhair

Dear Parents,

It's time to start our 2nd Charity project "Dolab ELKheir"
among our dear **ELSians**:

As donating is a positive trait that our students need to develop and as **donating clothes** ensures that you are keeping your home clutter free rather than having all your closet that you never wear, we would like you to donate all your **unneeded clothes** starting Sunday **5th December** to your floor attendants.

Please assure the following:

1. Items should be in good condition.
2. Items should be packed in plastic bags.

Thanks for your continuous support.
