

# ENGINEERING CAMP

## ONE DAY PRACTICAL CAMP

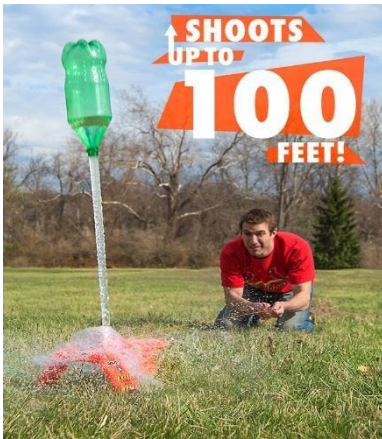

Saturday December 11<sup>th</sup>, 2021

Engineering for kids one day STEM Camp for a day full of fun, joy, inspiration, and of course  
**ENGINEERING**

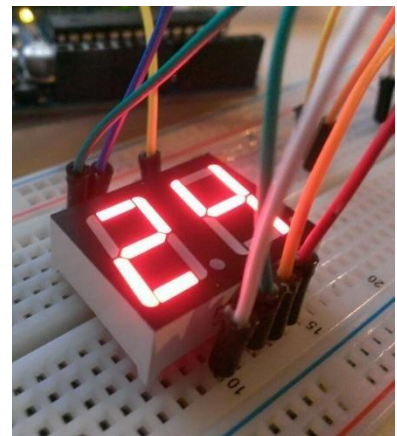

**Two JOYFUL practical workshops, each workshop lasts for 120 Mins**

**Each student will receive an accredited certificate by the end of the day from Engineering for kids - USA**

## AEROSPACE ENGINEERING WORKSHOP

## ELECTRONICS WORKSHOP

**STEM** activities are practical engineering workshops, working on bridging the gap between school studies, real-life inventions and applications.

**STEM** stands for **Science, Technology, Engineering, and Mathematics**. STEM is important because it pervades every part of our lives. By exposing students to STEM and giving them opportunities to explore STEM-related concepts (like **Aerospace Engineering, Marine Engineering, Electronics, Robotics** and more), they will develop a passion for it and hopefully pursue a job in a STEM field. STEM activities provide hands-on and minds-on workshops for the student. Making math and science both fun and interesting helps the student to do much more than just learn.

**Engineering for kids** is one of the top 10 educational STEM academies in the USA. Headquartered in Virginia, USA and now has more than **180** branches in **40** countries. We are proud to inspire children to build their natural curiosity by teaching engineering concepts through hands-on learning. STEM knowledge extends beyond a career; it's knowledge for life.

### Notes:

1. *Engineering for students will provide all the tools required and each student will work individually with his dedicated tools to **produce his own Models**.*
2. *Workshops will be for Gr 3-8*
3. *Each workshop from 15 up to 25 students.*
4. *Fees for participating **400 L.E including all materials required and supervision.***
5. *Deadline for payment Sunday December 5<sup>th</sup>, 2021.*
6. **The schedule for the day**  
*Workshop 1: From 10:00 AM till 12:00 PM*  
*Break: From 12:00 PM till 12:30 PM*  
*Workshop 2: From 12:30 PM till 2:30 PM*
7. *For more information about Engineering for kids, visit [www.engineeringforkids.com](http://www.engineeringforkids.com)*
8. *For more information about Engineering for kids' activities in Egypt, visit <http://bit.ly/2k4COVx>*
